<p>Custom Ceremony PLUS four hours of officiant time (including the ceremony). This can be before the ceremony, after the ceremony, or split for a total of four hours. In any event, I will arrive at least 30 minute prior to the scheduled ceremony start time. I will coordinate with the vendors, make sure that all items needed for the ceremony are in place (Sand, Unity Candle, etc.). I will "run through" the ceremony with your parents and bridal party (Mini "Day of" rehearsal), if needed. I will also supply a P.A. system and MIC for the ceremony, if needed. I can also use part of this time for the opening of the reception (welcome, grace before the meal, etc.). "Down time" between the ceremony and the reception will count as part of the four hours. If this option is selected, I will not book any other ceremony on that day, so my time may be flexible and devoted exclusively to you.
